

Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: The attorney of record asked to have the Finality of the office action mailed on 10/19/2004. Upon further review of the prosecution history, it is the examiners opinion that the office action mailed on 10/19/2004 should not have been FINAL, but rather a Non-Final office action because this was the first time the applicant had a chance to respond to the newly applied art rejections set forth in the aforementioned office action, and therefore, the Finalty is withdrawn, and the previous office is being mailed again in order to restart the period for reply, in order to further assist the applicant..
